Tie Breakers in Pool Play:

1. Points
2. Head to Head
3. Goals Allowed
4. Goal Differential
5. Goals Scored

a. Head to head in detail: This breaks ties based on the record (or points, if points are used) against the teams tied with. For example, if 3 teams have the same overall record at 4-2 and all 3 of the teams played each other an equal number of times and one team's record against the other two was 2-0, another was 1-1, and the other was 0-2. The tie breaker would order them accordingly. If all three teams had identical 1-1 records, this tie breaker would not be used and goals allowed would be applied.

Tie Breakers Among Division (applicable when bracket is advanced among entire division):

1. Points
2. Head to Head
3. Goals Allowed
4. Goal Differential
5. Goals Scored
6. Pool Place

Timeouts:

- One 45 second timeout per game per team - clock time does not stop. No timeouts in the last two minutes of games. If timeout is underway during two minute warning, the timeout is over and play resumes. Penalty time stops during timeouts.
